

# The 28th Annual Conference of **M**usculoskeletal **U**ltrasound **S**ociety (MUSoc) *Session & Hands-on Workshop Information*

**May 23 (Wed.) – 25 (Fri.)**

**Grand Ballroom 102 (1F) &  
 Room 203 (2F), Coex**

From May 23 (Wed.) to 25 (Fri.), sessions on testing methods for joints and nerves, normal anatomy, and sonographic findings by disease will be held in the mornings followed by a hands-on workshop every afternoon. And sessions offering the latest knowledge in various techniques related to Ultrasound-induced interventions (Injection, Biopsy, Radiofrequency Ablation) and Ultrasound-related Treatments (HIFU, Sonography) will also be prepared.

Only AFSUMB 2018 participants are available to register Hands-on Workshop organized by MUSoc. Participants will get hands-on training from world-renowned physicians in the field of Musculoskeletal Ultrasound with live demonstrations. They will also have the chance to practice interventions using a Phantom, such as Ultrasound-induced Aspiration, Biopsy, and RFA.
